

WEBINAR PROPOSAL SUBMISSION FORM

The Vibration Institute is now accepting webinar proposals. Our webinars focus on continuing education for vibration analysis and condition monitoring professionals and should be of interest to Vibration Institute members and those certified by the Vibration Institute. Commercial sales pitches and product endorsements are not allowed.

Please note the following guidelines:

- All webinars will be recorded.
- Your webinar session will typically last for an hour, which includes 45 minutes presentation and 15 minutes Q&A.
- Someone from the Vibration Institute staff will moderate your webinar.
- The Vibration Institute uses LiveWebinar software, and it is suggested that you have a run through with your moderator a few days before your scheduled date, so you are comfortable using this software.

Please use an additional form if necessary.

Please also submit a photo and short bio to be used for marketing purposes.

Please submit your proposal to: information@vi-institute.org
