

# Vibration Institute

## 2024 TRAINING COURSES

### FEBRUARY

Houston, Texas

CAT II - Basic Machinery Vibration  
CAT III - Machinery Vibration Analysis

### MARCH

Knoxville, Tennessee

CAT I - Introduction to Machinery Vibration  
Advanced Diagnostics Using Case Studies

### MARCH

Victor, New York

CAT II - Basic Machinery Vibration

### APRIL

College Station, Texas

CAT I - Introduction to Machinery Vibration

### MAY

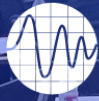

Naperville, Illinois

Vibration Analysis Overview  
CAT I - Introduction to Machinery Vibration  
CAT II - Basic Machinery Vibration  
CAT IV - Advanced Vibration Control  
Balancing of Rotating Machinery

### JUNE

New Orleans, Louisiana

CAT II - Basic Machinery Vibration  
CAT III - Machinery Vibration Analysis

# 2024 TRAINING COURSES

## JUNE

Newtown, Pennsylvania

CAT I - Introduction to Machinery Vibration

## AUGUST

Covington, Kentucky

Same location as VIATC 2024

Vibration Analysis Overview

CAT I - Introduction to Machinery Vibration

CAT II - Basic Machinery Vibration

## OCTOBER

Houston, Texas

CAT I - Introduction to Machinery Vibration

Balancing of Rotating Machinery

## NOVEMBER

Chattanooga, Tennessee

CAT I - Introduction to Machinery Vibration

CAT II - Basic Machinery Vibration

CAT III - Machinery Vibration Analysis

CAT IV - Advanced Vibration Analysis

## DECEMBER

San Diego, California

CAT I - Introduction to Machinery Vibration

CAT II - Basic Machinery Vibration
